

## AXA Egypt Certified a Top Employer for 2019

AXA Egypt is officially announced as a Top Employer for 2019, recognized as the only insurance company with the title by the Top Employers Institute. Organizations certified as Top Employers provide their staff with the best working environment through their progressive 'people-first' HR practices.

AXA, as a multinational insurer, has made significant changes in how they attract, develop and retain talents, with a greater focus on maintaining the overall harmony of the workplace and the effectiveness of operations, as well as on the wellbeing of each individual employee. AXA Egypt is guided towards its people oriented strategic path, with four core values the encompass the company's culture; Customer First, Integrity, Courage and One AXA.

To be recognized as a top employer, AXA Egypt demonstrated how it offers its employees more than just attractive salary and benefit packages. Career development opportunities, the emphasis on work-life balance, the freedom and responsibility to make operational decisions and be recognized for outstanding achievements and contributions are all vital characteristics of a sought-after employer.

“Our goal as AXA Egypt is to always empower our employees, sustaining their development journey, personally and professionally, through our people-first strategies, to maintain a positive healthy work environment. We're extremely proud to be announced as a Top Employer in 2019.”, Ayman Kandeel, CEO of AXA Life Insurance
